General Instructions:

1. Abstracts submitted for publication in the Supplement must be original, and must not have been already published elsewhere.
2. The author list must be complete and that all named authors should agree to the submission of the abstract for publication.
3. Abstracts should be submitted as a single file (.DOC or .DOCX).
4. All abstracts should be in English. Spelling within any one abstract should be US English or UK English, but not a mixture.
5. Figures, tables and references are not acceptable in the abstracts.

Guidelines for Authors: Preparation of Abstracts

Title

The title should be in bold, sentence case with no full stop at the end and no underlining, e.g.: **Results from experiments in this field**

Authors

First name, middle initials if required, and surname with no full stop at the end. Underline the name of the corresponding author. A comma should separate author names. Where authors are from a number of different institutions, the appropriate institution number from the affiliation list should be given as a superscript number immediately after each author's name, e.g.:

John Smith[1], Susan Jones[1], Bill Fisher[2]

If the authors are presenting an abstract on behalf of a study group, this information should not be included in the authorlist, but should appear in an Acknowledgements section.

Affiliations

Affiliations should include department, institute, town and country. Where there are multiple affiliations, each should be listed as a separate paragraph. Each institute should appear in the order used against the author names (see above paragraph) and show the appropriate superscript number,e.g.:

[1] Department, University, Town, State, Zipcode,USA

[2] University, Town, State, Postcode, UK

[2] Company, Town, State, Canada, Postcode

Main text

Should not be more than 200 words

Please use single line spacing

Type the text unjustified, without hyphenating words at linebreaks

Use hard returns only to end headings and paragraphs, not to rearrange lines

Use the BioMed Central reference format (see below)

Greek and other special characters may be included. If you are unable to reproduce a particular special character, please type out the name of the symbol in full

SI units should be used throughout (litre and molar are permitted, however)

Web links (URLs) should be provided in full, including both the title of the site and the URL, in the following format:

Mouse Tumour Biology Database

[http://tumor.informatics.jax.org/cancer_links.html]

Abbreviations should be used as sparingly as possible and should be defined when first used.
